## Work Experience

### High Tech Elementary Explorer | August 2020 - present Student Teacher

- Adapted to online learning by providing lessons and resources for students remotely
- Collaborated with co-teacher and grade level team to design lessons and curriculum for Kindergarten and 4th grade
- Reshaped lessons to hybrid learning for students both in-person and online, while implementing safe Covid school guidelines

### School of Madeleine Preschool | 2017-2020 Lead Teacher

- Implemented and designed a well-rounded curriculum for preschool students
- Observed children during outdoor playtime and ensured the safety and well-being of every child
- Organized a variety of performing arts events for students and their families

### Think Together | 2017 Intern

- Assisted program leaders with a variety of afterschool activities
- Supported students from 1st grade to 5th grade with homework
- Facilitated games and worked with students one-on-one to ensure their success

---
